

A person in a dark suit and tie is holding a tablet computer. The background is a dark blue gradient with a faint network diagram overlay. The diagram consists of various nodes and connecting lines, with some nodes labeled with terms like 'PLATFORM', 'RESEARCH', 'FINANCE', 'COMMUNICATION', 'DATABASE', 'APPLICATION', 'MONITORING', 'OBJECT STORAGE', 'BLOG STORAGE', 'IDENTITY', 'CONTENT', 'COLLABORATION', 'RUNTIME', 'COMPLIANCE', 'WEBSITE', 'NETWORK', and 'INFRASTRUCTURE'. A small green horizontal line is positioned below the 'APPLICATION' node.

**web and cross platform development**

PROFESSIONAL SOFTWARE ENGINEERING SERVICES

## Our services

### **WEB, HYBRID DEVELOPMENT**

Web applications development using modern approaches and technologies. We build complex web applications, native and hybrid mobile apps that meet customer needs. We are professionals in competitive solutions that can meet the demands of fast growing business and changing environments.

### **STARTUP SUPPORT**

Creating rapid prototypes, Model-View-Presenter (MVP) and Demos. We have our own products and know all the pains and startup problems. Following LEAN approach we know how to minimize the cost and time to impress investors on the early stage

### **FULL STACK SOLUTIONS**

Creating the best software for your business idea come to life. We are strong in building complex, high-load and extendable solutions on backend, frontend and apps levels

### **INDUSTRY EXPERTISE**

We are not just software developers. We have subject-matter experts in logistics, retail, IoT, embedded, e-learning domains and have experience building software that meets demands of these markets

## We offer

### Outsourcing

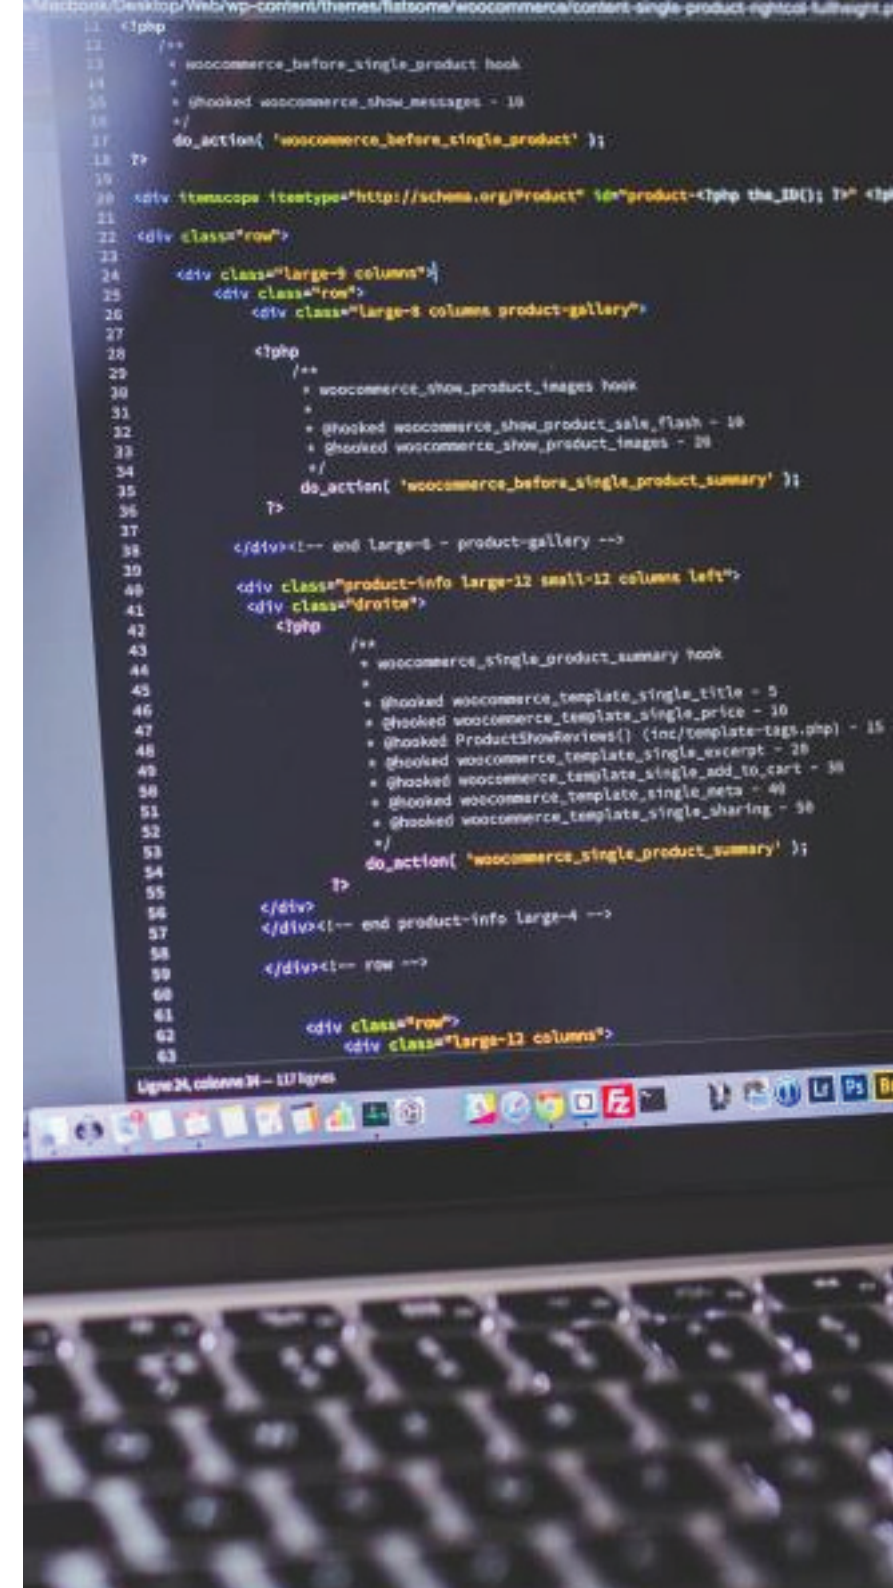

- ✓ Complex web applications development
- ✓ Full-stack solutions development
- ✓ Back end&Front end development
- ✓ Mobile apps development

### Outstaffing

- ✓ Dedicated team
- ✓ Remote work
- ✓ Qualified specialist for your team

### Startup Support

- ✓ MVP development
- ✓ R&D
- ✓ Saving budget
- ✓ Fixed price projects

## Value

- ✓ Reduce material **costs**
- ✓ Increase **efficiency**
- ✓ Fully **organized** office
- ✓ Comfort **timezone**
- ✓ **Taxes** included
- ✓ We care **bonuses, vacation** payments
- ✓ No administrative and rental **costs** from your side
- ✓ Flexible **rates** depend on seniority level
- ✓ You pay for hours **worked** not rest
- ✓ Quick access to experienced human **resources**
- ✓ No **freelancers**
- ✓ Project **management**
- ✓ **Quality** assurance before delivery
- ✓ Excellent **Reporting**
- ✓ We are held **responsible**

## Collaboration process

A typical remote team is fully dedicated to the Client and acts as a direct extension of Client's in-house staff

Developers available at your service ANY TIME

Our Project Manager will act like a “buffer” between team of developers and your managers

It includes sophisticated selection of stage modelus, tour information (including promotional videos), book-ing and ordering, online reviews and comments on the tour, partner's authorization system, etc.

Stages:

- ✓ Requirements identifying and gathering
- ✓ System design
- ✓ Development,
- ✓ Project testing and launch

## Some of our work

# TOUR OPERATOR PORTAL

Creating tour operator portal  
Offers, offer description, integrations with 3rd party travel systems, news and blog, demo videos

Modules:

- ✓ Tour selection
- ✓ Tour information
- ✓ Ordering
- ✓ Online reviews and comments
- ✓ Partners' authorization system, etc.

## Some of our work

Social network for those who want to earn extra money or find a contractor for work performance. Internal mail, rating system, payment gateways and billing, social connections, full text search

# SOPHISTICATED WEB PORTALS

The image displays a collage of screenshots from the '7 работ' web portal. The top screenshot shows a user's profile for 'Руслан Викторович (47 лет)' with contact information and a list of reviews. Below it, a job listing for 'Региональный менеджер' is shown with a salary of 10,000 грн. To the right, a list of proverbs is displayed, including 'Наша прабабушка учила наших дедов' and 'Упорно трудиться - будет хлеб в закромах водиться'. The bottom right screenshot shows a list of job listings for 'Пишу жалобы на соседей' with a price of 100 грн/шт. The portal interface includes a navigation bar with '7 работ' logo, user account options, and a balance of 115.70 грн. The main content area features a search bar, a list of job listings, and a sidebar with 'Объявления специалистов'.

## Our portfolio

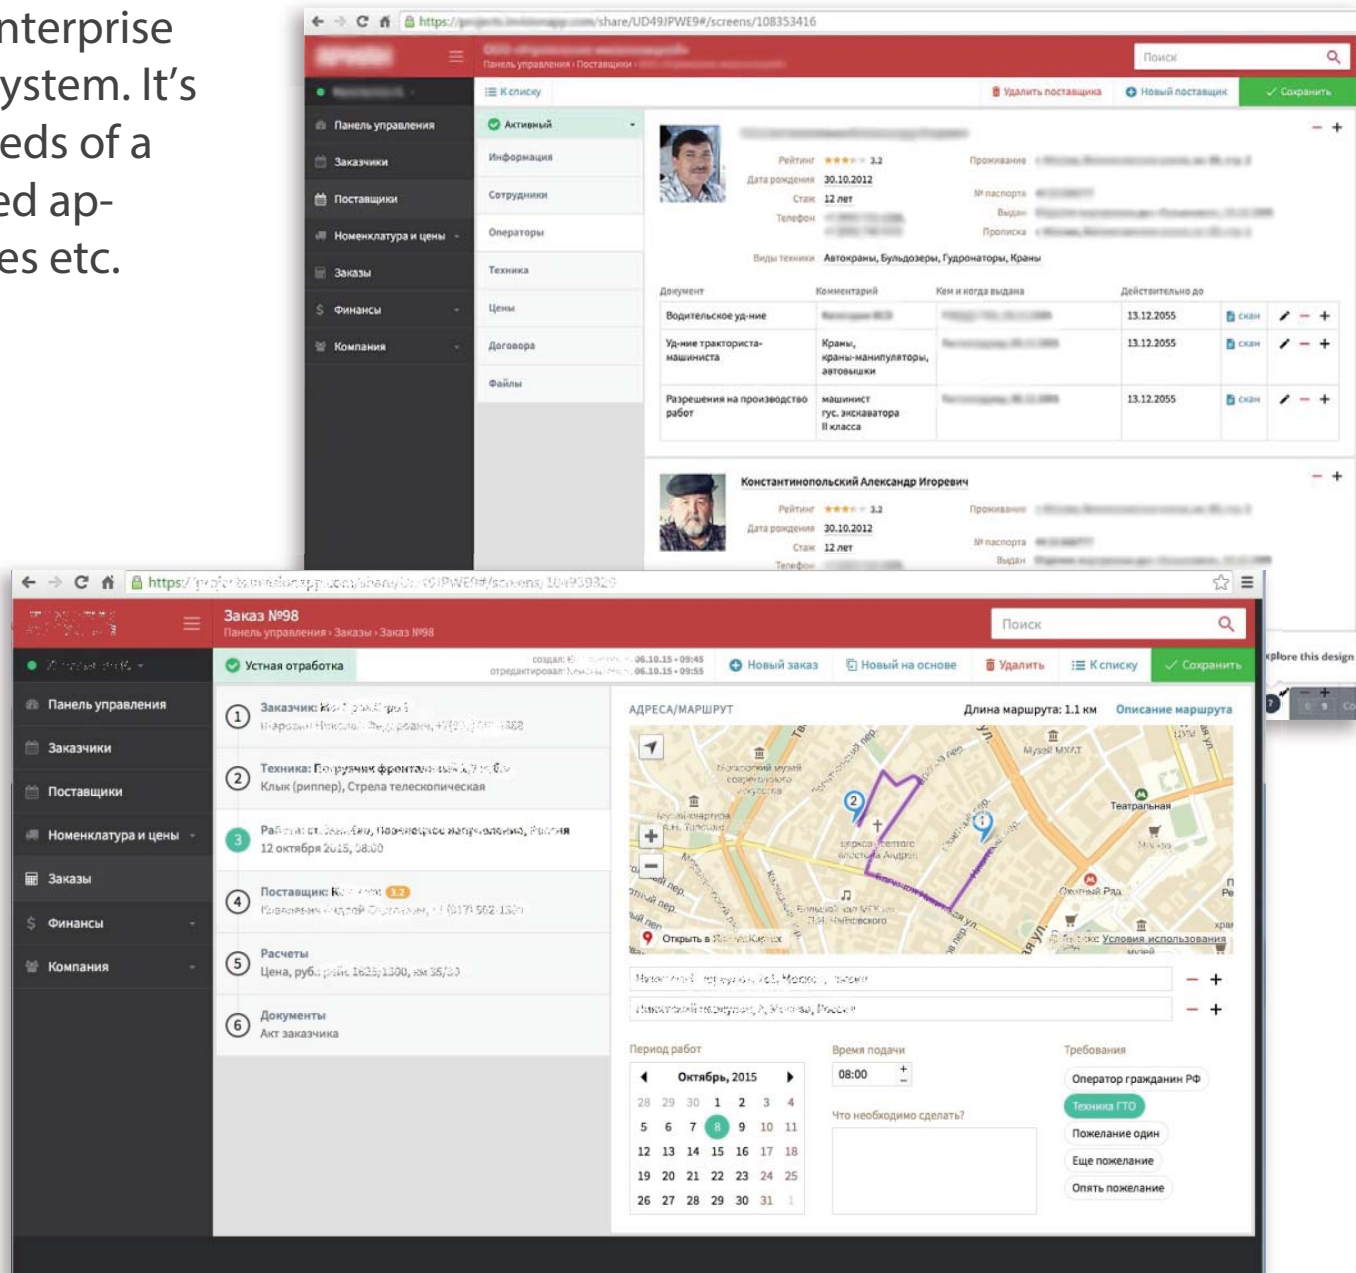

# CRM SYSTEM

We have experience in the complex enterprise solutions development such as CRM system. It's custom solution that meet specific needs of a customer's business. It's a sophisticated application with huge set of forms, modes etc.

### Stages:

- ✔ Requirements identifying and gathering
- ✔ System design
- ✔ Development
- ✔ Project testing and launch

The project was implemented for WEB, which allows accessing the system anywhere at any time

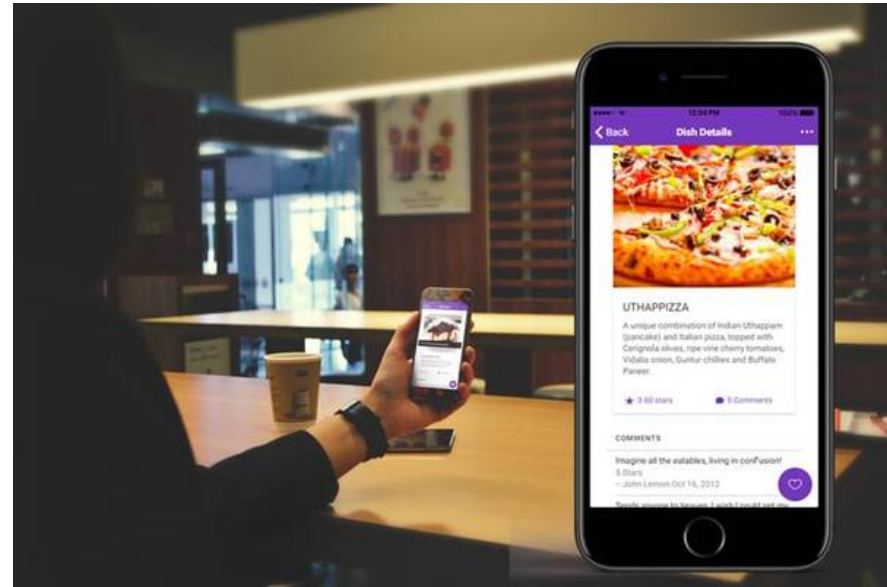

## Some of our work

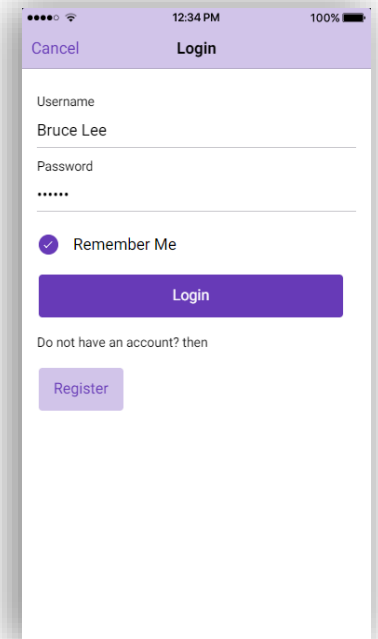

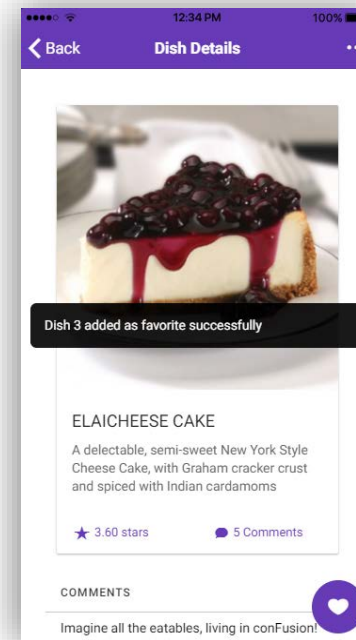

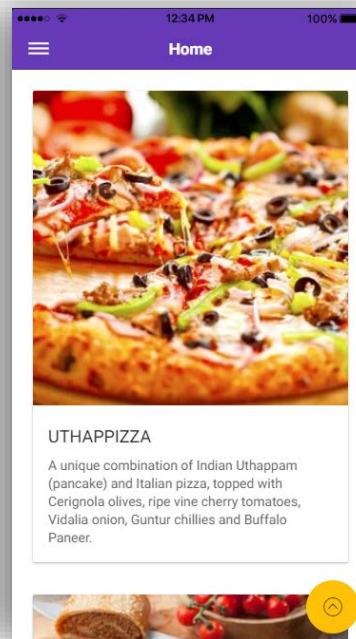

# Restaurant app / Food delivery

## Technologies

Floating Action Buttons, Ionic Lists: Advanced Features, Ionic Forms and Modals  
Alerts, Toast, Popovers, ActionSheets, and Loading, Ionic Storage  
Notifying the User, Social Sharing, Using the Camera, Network Status

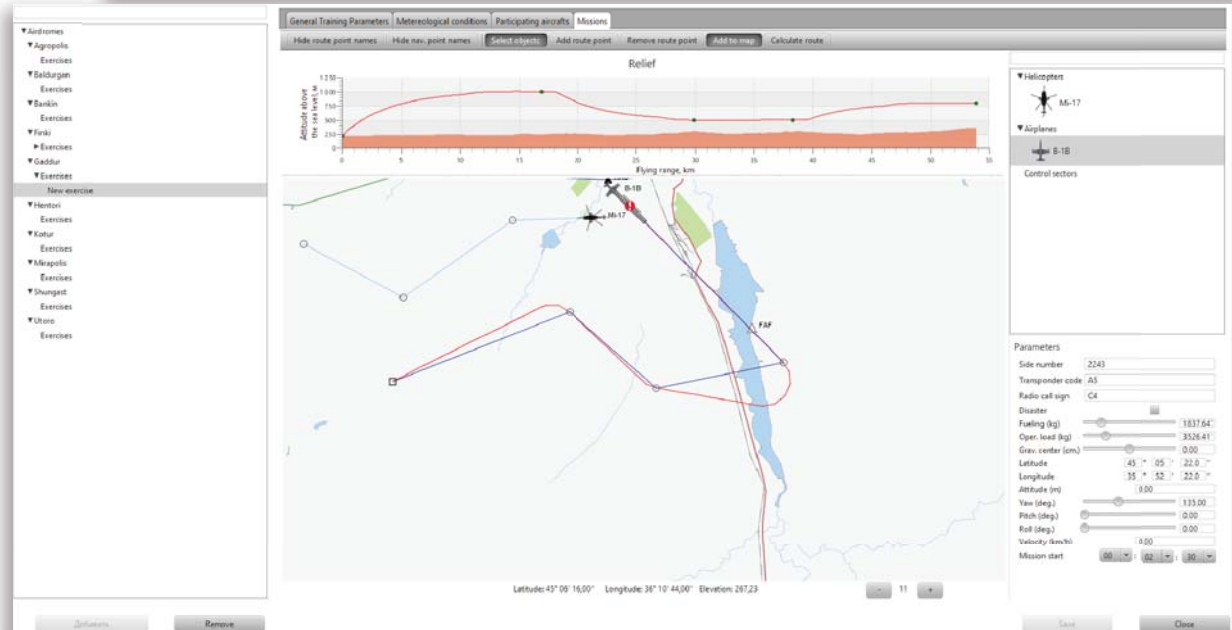

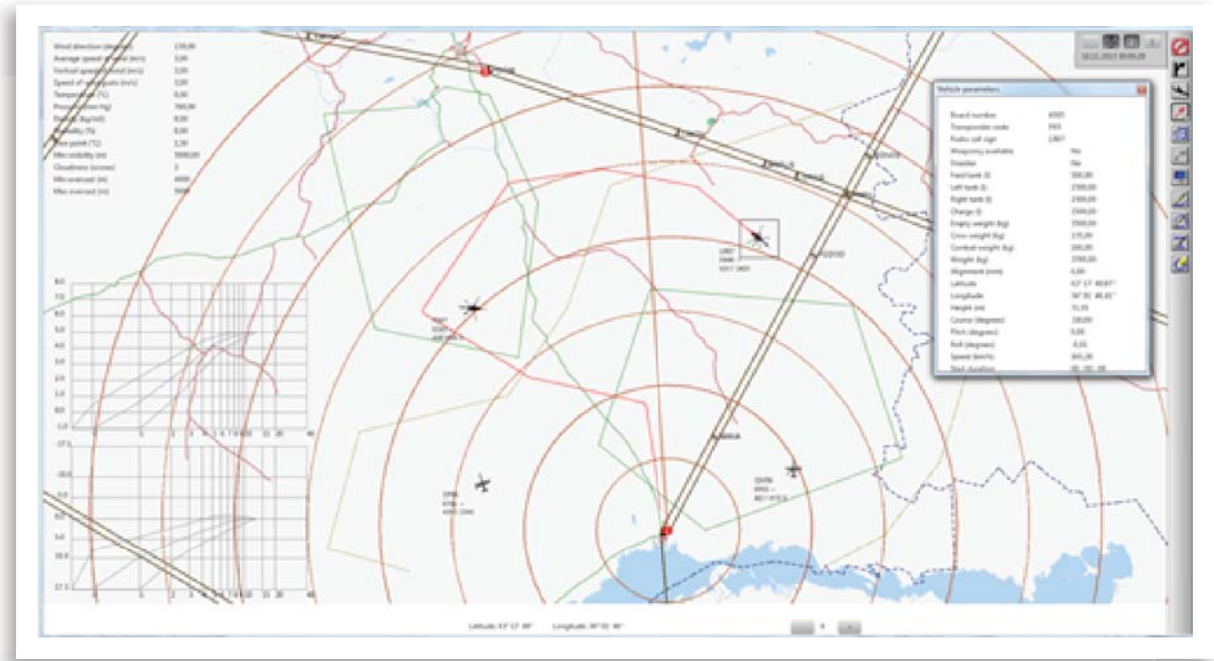

- ✓ Online menu
- ✓ Payments
- ✓ Delivery
- ✓ Recommendations
- ✓ Feedbacks
- ✓ User management
- ✓ Social sharing

## Features:

- ✔ Operations with traffic routes of civil aviation
- ✔ Air navigation environment modeling
- ✔ Database modeling of the airports and routes (including traffic schemes, coordinates, etc.)
- ✔ Air traffic simulation module
- ✔ Radar station modeling
- ✔ Load of the current statuses and flight plans in the dispatch center Server
- ✔ “black box” of the UAV and aircraft
- ✔ Network protocol(HLA) support
- ✔ Common virtual environment
- ✔ Instructor work place
- ✔ Faults modeling

## Our achievements

### **GOLD WINNER OF VERNADSKY CHALLENGE 2015**

Engineering Startup Contest from Noosphere Ventures with a prize fund of 500,000 UAH

### **3RD PLACE AT NASA SPACEAPPS CHALLENGE 2016**

a global hackathon

### **2ND PLACE AT GET IN THE RING**

an international startup tournament

### **THE FINALIST OF SIKORSKY CHALLENGE 2015**

IV Startup contest of the innovative projects festival
